

Balanced Meal Complete - Chocolate

A complete Nutritional Shake

Recommended
by
Angie Svoboda,
Pharm D.

DESCRIPTION

Balanced Meal Complete is a plant-based complete nutritional shake that contains a complete formulation of nutrients to provide for a nutritious shake or meal replacement. Balanced Meal Complete features organic fermented whole foods, five plant proteins, five organic supergains, essential fatty acids, probiotics, digestive enzymes, and 25 fruits, berries, vegetables, and herbs. It is a high-protein, low-fat, and low glycemic means to supplement or replace a meal.

FUNCTIONS

Liquid nutrition utilizing protein based powders has been recognized as having immense value in providing a sound nutritional foundation for individuals. Liquid nutrition offers several advantages over solid food for the uptake of vitamins and minerals. Unlike solid food which requires specific digestive enzymes and stomach acids for digestion, liquid nutrition does not. Liquid nutrition allows for specific nutrient targeting for specific disease states. Liquid nutrition can provide measured nutrient intake so that calories, sugar, sodium and other variables found in conventional nutrient sources can be standardized. Finally, liquid nutrition can provide a sound nutritional foundation for health challenges such as weight loss, muscle recovery, wound healing, diabetes management, hospice care, bariatric surgery and many health issues.

Balanced Meal Complete is a plant-based complete nutritional shake containing a complete formulation of nutrients in a nutritious shake or meal replacement drink. To begin, Balanced Meal Complete features 21 vitamins and minerals from organic fermented whole foods. This vitamin/mineral matrix provides an easily digested and bioavailable nutrient source. Balanced Meal Complete features a fortified plant protein matrix with biological value similar to animal proteins such as whey. Each serving provides 17-18gm of complete protein from pea protein, organic sprouted amaranth, organic sprouted quinoa, chlorella, cranberry, and additional BCAA's. Next, Balanced Meal Complete includes a plant energy matrix of soluble fiber which significantly slows the uptake of carbohydrates and prevents the sugar high and crashing associated with simple carbs. This plant energy matrix has a low glycemic response and provides extended energy release, helping to maintain healthy glucose and insulin levels.

Balanced Meal Complete contains antioxidants obtained from 25 fruits, berries, vegetables, and herbs. These antioxidants help to protect the body from free radicals and other toxic compounds, and provide protection against inflammatory-related cell damage. Antioxidants have been shown to prevent oxidative damage to lipids, as well as reduce arterial plaque formation. Organic acacia gum provides 5 gm of fiber per serving. The plant based Essential Fatty Acid (EFA) matrix found in Balanced Meal Complete features essential fatty acids from flax, chia, hemp, and Sacha Inchi. The probiotic, prebiotic and digestive enzyme components of Balanced Meal Complete enhance the absorption of proteins, fiber, complex carbohydrates and healthy fats. Specifically, this product contains 1 billion viable cells of *Bacillus coagulans* probiotic, along with prebiotic nutrition from inulin. Digestive enzymes incorporated into the formulation include bromelain, protease, amylase, cellulose, lactase, lipase, and alpha galactosidase. Balanced Meal Complete provides a high-protein, low-fat, and low glycemic meal replacement with more available nutrition than a typical meal.

INDICATIONS

As a dietary supplement, Balanced Meal Complete can be used to provide a complete nutritional shake or meal replacement option.

FORMULA (WW #10346)

Two Scoops Contain:

Calories	160
Calories from Fat	25
Total Fat	3 g
Saturated Fat	0.5 g
Sodium	290 mg
Potassium	290 mg
Total Carbohydrate.....	15 g
Dietary Fiber	6 g
Sugars.....	< 1 g
Protein	18 g
Vitamin A (as beta carotene).....	2350 IU

(Continued on following page)

(10346 Balnced Meal Complete continued)

Vitamin C (as ascorbic acid) 25 mg
Vitamin D3 (as cholecalciferol) 150 IU
Vitamin E (as succinate, acetate) 10 IU
Vitamin B1
(as thiamine hydrochloride, mononitrate) 590 mcg
Vitamin B2 (as riboflavin) 800 mcg
Niacin (as niacinamide) 9 mg
Vitamin B6 (as hydrochloride) 775 mcg
Folic Acid 240 mcg
Vitamin B12 (as cyanocobalamin) 2.5 mcg
Biotin 135 mcg
Pantothenic Acid
(as d-calcium pantothenate) 4 mg
Calcium (as carbonate) 240 mg
Iodine (as potassium iodide) 67 mcg
Magnesium (as citrate, oxide) 8 mg
Zinc (as citrate oxide) 6 mg
Selenium (as methionine, selenite) 9 mcg
Copper (as gluconate) 350 mcg
Manganese (as citrate, gluconate) 2.2 mg
Chromium (as amino acid chelate, chloride) 40 mcg
Molybdenum (as amino acid chelate, molybdate) .8 mcg

Multi Source Vitamins & Minerals

Matrix with Fermented Whole Foods: 850 mg

Herbal Blend: Reishi, Shitake, Maitake

Vegetable Blend: Tomato, Pea, Carrot, Spinach, Pepper
Fruit Blend: Cherry, Banana, Apple,

Strawberry, Blueberry

Sprout Blend: Amaranth, Quinoa, Millet

Cultured Spice Blend: Cinnamon, Allspice, Cloves

Essential Glyconutrient Blend: Mannose,
Glucose, Galactose, Xylose from *Coffee arabica*,
Aloe barbadensis

Multi Source Plant Protein Matrix: 20,295 mg

Pea Protein Isolate, Sprouted Amaranth, Sprouted Quinoa,
Chlorella protein, Cranberry Seed protein, and a proprietary
amino acid blend of Leucine, Isoleucine, Valine, Glutamine
and Glycine.

Multi Source Low-Glycemic

Energy Matrix: 6,075 mg

Organic Oat Bran, Organic Amaranth, Organic
Quinoa, Organic Buckwheat, Organic Millet, Organic
Chia, Broccoli sprouts, Watercress sprouts, Kale
sprouts, Mustard sprouts and Cabbage sprouts.

Multi Source Fiber/Antioxidant Matrix: 3,950 mg

Acacia Gum Fiber, Beet, Grape seed extract, Plum
fruit extract, Strawberry juice, Hawaiian Noni fruit,
Pineapple juice, Acai juice, Cupuacu juice, Camu
Camu fruit extract, Green Tea extract, Watermelon
juice, Organic Hawthorne berry extract, Grape skin extract,
Elderberry fruit, Organic Goji extract, Bilberry extract,
Protease, Amylase, Cellulase, Lactase, Lipase and Wild
Alaskan Aurora Blue® Blueberry.

Multi Source Plant EFA Matrix: 1,516 mg

Flax Seed Oil Powder, Flax seed, *Sacha inchi* seed,
Chia seed and Hemp seed.

Probiotic, Prebiotic &

Digestive Enzyme Matrix: 988 mg

Bacillus coagulans (1 Billion viable cells),
Fructo- Oligosaccharides (Inulin), Alpha-galactosidase
and Bromelain.

Other Ingredients: Cocoa, natural chocolate flavors, inulin,
stevia, xanthan gum, stevia, silica, natural vanilla flavor, lo
han guo, organic maltodextrin and organic corn starch.
Contains NO gluten, dairy, or soy. This product is non-GMO.

SUGGESTED USE

Use 1-2 scoops in water or preferred beverage daily.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of
reach of children.
