

Fruits & Greens Energy Drink

Daily Drink with the Antioxidant Power of 20+ Servings of Fruits and Vegetables

DESCRIPTION

Fruits and Greens Energy Drink is an easy-to-mix, great tasting, nutrient-rich superfood formula with whole food concentrates designed to provide synergistic phytonutrient nutrition. Fruits and Greens provides a super blend of 100% natural fruit and vegetable extracts, vitamins, enzymes, and symbiotic intestinal flora, and includes antioxidants, lignans, and phytonutrients.

FUNCTIONS

Research has demonstrated that while most Americans have a real need to increase their daily intake of healthy fruits and vegetables, most Americans find consuming that much whole, healthy food to be a challenge. Fruits and Greens Energy Drink is a state-of-the art, great tasting greens and superfood drink mix that helps individuals raise their daily intake of the essential nutrients found in a whole foods diet. It is made from the highest quality, fresh fruits and vegetables available, specifically selected for their nutrient-rich properties. This proprietary blend supports the body's natural energy, metabolism, fat-burning, digestion, detoxification, immunity, repair, recovery, revitalization, and longevity.

In creating Fruits and Greens Energy drink four proprietary natural nutritional blends were utilized:

- SuperFruitox Antioxidant Blend
- Digestive Enzyme and Probiotic Blend
- Vegetable Antioxidant Blend
- Fiber Blend

Together, the natural components of Fruits and Greens Energy drink:

- Provides powerful antioxidant benefits
- Supports immune system function
- Provides enzymes, probiotics, and fiber for enhanced digestion
- Supports detoxification of body systems
- Serves as a natural body alkalizer
- Contains proprietary blends of organic superfoods
- Contains no wheat, preservatives, or MSG
- Contains no stimulants or caffeine
- No sugar added

Fruits and Greens Energy Drink provides concentrated nutrition and energy for those individuals with poor dietary habits, particularly adolescents. Dietary studies continually point out the usage and abuse of caffeinated sodas and excessively caffeinated "energy" drinks by the young. Recent cardiac studies have pointed out the risk that such abuse

of these stimulant drinks has in the U.S. population. Fruits and Greens Energy Drink is the perfect alternative for the individual seeking a high level nutritional energy burst rather than overt stimulation.

INDICATIONS

Fruits and Greens Energy Drink may be a useful dietary supplement for individuals seeking to increase their daily consumption of healthy fruits and vegetables and to obtain the energy benefits and health advantages from such consumption.

FORMULA (WW #10351)
