

DESCRIPTION

Beauty Care Advanced contains clinically studied trademarked ingredients to support healthy hair, skin and scalp such as SesZen-Bio™ plant-based biotin and KeraGLO® hydrolyzed keratin. Beauty Care Advanced also contains 100 mg each of Fo-ti extract and hyaluronic acid, making this a unique and innovative product for beauty care from the inside out.†

FUNCTIONS

SesZen-Bio™ is a proprietary plant-based extract derived from *Sesbania grandiflora* leaves providing a natural source of biotin that has been shown in studies to help promote healthier, stronger hair and skin and improve scalp health.†
^{1,2} Beauty Care Advanced contains 500 mg of this food-based biotin source, delivering 2500 mcg of 100% natural and more bio-available biotin. Our Beauty Care Advanced also contains KeraGLO® hydrolyzed keratin that showed improvements in skin roughness, wrinkles, elasticity and moisture in a randomized, double-blind study.†³ Fo-ti, or *Polygonum multiflorum*, is listed officially in the Chinese Pharmacopoeia and is one of the most popular Chinese traditional medicines. One of the key uses of Fo-ti is for increased hair growth. Some studies show that it performs in this function by increasing the viability of mitochondrial activity in dermal papilla cells.†
⁴ And this formula also contains 100 mg of hyaluronic acid. A meta-analysis of oral hyaluronic acid showed improvements in skin hydration, elasticity and wrinkle depth as well as firmness and volume across multiple randomized trials.†⁵

INDICATIONS

Beauty Care Advanced may be a useful dietary supplement for those who want to support healthy hair, scalp and skin.†

FORMULA (WW #10469)

Two Capsules Contain:

Biotin.....	2,500 mcg
(from Sesbania [<i>Sesbania grandiflora</i>] leaf extract)	
KeraGLO® hydrolyzed keratin	500 mg
SesZen-Bio™ sesbania.....	500 mg
(<i>Sesbania grandiflora</i>) leaf extract	
Fo-ti (<i>Polygonum multiflorum</i>) root extract	100 mg
Hyaluronic acid (as sodium hyaluronate)	100 mg

Other Ingredients: Capsule (modified cellulose, water), magnesium stearate, silica.

This product contains NO sugar, dairy, yeast, wheat, gluten, eggs, peanuts, soy, tree nuts, fish, shellfish, sesame, preservatives, artificial colors or flavors.

SUGGESTED USE

As a dietary supplement, adults take 2 capsules daily, or as directed by a healthcare professional.

CONTRAINDICATIONS

If sensitive to any of these ingredients, or currently taking prescription medications, pregnant or breastfeeding or preparing for an upcoming surgery, consult with your healthcare professional. If taking other supplements with similar ingredients, please consult with your healthcare professional before adding this to your regimen.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
