

Men's Probiotic Complete

50 Billion

DESCRIPTION

A shelf-stable, high-potency, proprietary blend containing 50 billion CFUs (colony forming units) and custom-tailored to support men's digestive, immune and colon health.†

FUNCTIONS

Studies on digestive health show that at least 60-70 million Americans are dealing with digestive health problems. Due to poor lifestyle choices, close to three-quarters of these people are men. Consumer choices continue to be populated with probiotic offerings of various potencies and complexities, many differentiated based on gender. Our Men's Probiotic Complete is a combination of proprietary *Lactobacillus* and *Bifidobacterium* blends that provide 50 billion live cultures per capsule. Together, these species of probiotic bacteria have been shown to support a healthy bacterial balance in the digestive tract and colon.†

The bio-enhanced acid-resistant strains (BEARS) in this formula are designed to withstand the acid conditions present in the stomach during digestion without the need for enteric coating. The formula contains 50 billion CFU (colony-forming units) per serving, providing a *Lactobacillus* blend of 30 billion cells with a *Bifidobacterium* blend of 20 billion cells. Men's Probiotic Complete also contains a prebiotic fiber blend consisting of FiberAid® arabinogalactans, a patented prebiotic from Lonza®, with fructooligosaccharides (FOS). This product also features our new shelf-stable bottle technology with a multi-phase barrier to control and trap moisture and ensure product stability.

INDICATIONS

Men's Probiotic Complete may be a beneficial dietary supplement for those having completed a round of antibiotics or otherwise needing to ensure a healthy balance of beneficial bacteria in the gut.

SUGGESTED USE

As a dietary supplement, adults take 1 capsule daily with food, or as directed by a healthcare professional.

FORMULA (WW #10431)

1 Capsule Contains:

Proprietary *Lactobacillus*
Blend.....159 mg (30 billion CFU*)

Lactobacillus acidophilus, *Lactobacillus rhamnosus*,
Lactobacillus casei, *Lactobacillus plantarum*,
Lactobacillus salivarius, *Lactobacillus lactis*

Proprietary *Bifidobacterium*

Blend.....41 mg (20 billion CFU*)
Bifidobacterium lactis, *Bifidobacterium breve*

Prebiotic Blend..... 50 mg
Fructooligosaccharides (FOS), larch arabinogalactin
(FiberAid®)

Other ingredients: Vegetarian capsule (modified cellulose, water), cellulose, magnesium stearate, silica, calcium silicate.

*Colony Forming Units

Vegan, Gluten-Free, Non-GMO

This product contains NO sugar, dairy, wheat, gluten, eggs, peanuts, soy, tree nuts, shellfish, preservatives, artificial colors, artificial flavors.

STORAGE

Store in a cool, dry place, away from direct sunlight. Keep out of reach of children.
